

Carter Bearden Annual Report 2011-2012

This year has been a very good and the committee we have are working solidly together . We have assisted people in their mission trips. Trips during the 2011-2012 year has been made to Belize, New York City, India, and China., and Cancun, Mexico. God has inspired many people to go and many have been saved. We have set up booths and participated in the International Cultured Day at Annistown Road Baptist Church.

People who were helped by the fund were Lane and Vernee Buris, Laramie Burris, Lawson Burris, Heather Burris, Terri Jackson, Walter Moore, Terri Jackson, Sarah Garner, Matt Carpenter, Maiah Ransom, Lois Hitchcock' Jerry Baker and Beth Rosenzweig.

Something wonderful to look forward to! GBCD Conference is Sept 14-16th, and we are honored to have Kevin Clark as our mission Speaker. He is from North Carolina and will share his experiences in his mission trips. Also our booth will be set up and pictures showing past and upcoming mission trips.

We are in the process making this committee stronger by developing an application and planning process.

A team is in the process of planning a trip to New York City in October and to Cancun in the fall.

The team meets once a month to discuss future trips and where it is most needed. Bud Richardson, our mission coordinator is coordinating the plans.

God added to our committee. Lane Burris has joined us much to our delight and has been a blessing. We are praising God that all officer positions are filled.

Our goal is to set up a offering of \$2,000.00 in honor of Carter Bearden to be able to continue Carter's dream of reaching every deaf person in the world of Jesus Christ.

Faithfully Submitted,

Beth Rosenzweig, Chairperson
